

MY COMMITMENT TO GOD'S CALL

Because I believe God is calling me to serve as a short-term missionary on the frontier, and

Because I have carefully counted the cost and prayed about this matter sufficiently, and

Because I have consulted with those I respect and who have authority over me (i.e., my parents or guardians, if applicable), and

Because I am ready to sacrifice my plans and agenda in order to honor and obey my Saviour Who is calling me, and

Because I want to be a man/woman of integrity who keeps promises and does not go back on my word,

I hereby declare that I consciously choose to move forward with the application process for this upcoming term with no intention of turning back. I have set my hand to the plow.
